

# NAPHA NEWS

Winter 2018

## *A note from the President's desk...*

Happy Holidays fellow NAPHA Members!

As we near the conclusion of 2018, we would like to take a moment to reflect on the past 12 months. We held our annual conference and clinic in Weatherford, Texas in March. The first day of the event was filled with discussion of how we can improve our organization and better promote the breed. Saturday found us at the beautiful Rancho Santos where members were provided an opportunity to learn about the new Trail Horse Certification program from a master trail judge and an in-depth discussion on our Peruvian Horse breed standards and horse show judging from the Judges Accreditation Committee. Thank you to Horacio and Mary Kay Santos for graciously hosting the clinic.

NAPHA received an \$11,000 donation in June from the Deep South Peruvian Horse Club that is earmarked for promotion. The Marketing Committee and other volunteers have been hard at work and are using a portion of the funds to develop a short promotional video that will be used as part of a larger social media initiative. Look for more to come in the coming months!

Our 2018 National Show was held in Texas and was a success thanks to our committed volunteers and exhibitors. The show was once again broadcast along with commentary to all members at home via a webcast so they could join in the fun even if they couldn't make it to the show. Thank you to our dedicated show committee and webcast committee who make it all happen!

Thanks to the dedicated efforts by board member Tina Mewhinney, NAPHA held our inaugural Peruvian Trail Horse Certification event in October at JyW Coyote Creek Ranch! A Trail Horse Clinic was held a few weeks later by the Sooner Club and there are multiple events already scheduled for 2019. Please reference our website or contact Tina if you have any questions, are interested in participating in an event or hosting an event in your area.

The board of directors has been confronted with multiple legal challenges over the past few years. I'm happy to report that we anticipate all legal matters should be complete by the end of December.

As we look to 2019, we are going to have a significant change over on the board of directors. Three elected positions were open and the following individuals were elected: Gail Benson, Edie Gandy, and D Joy Gould. Pam Castaneda resigned from the board of directors in November as her personal life and professional endeavors didn't leave her enough time to be as productive of board member as she desired. In accordance with our bylaws, the board of directors appointed Horacio Santos to fill out her last year on the BOD. Tina Mewhinney also resigned in December to allow her to focus all of her time on a newly created "Recreational Rider Committee" (see additional information later in the newsletter). Gene Pepe was appointed to fill out Tina's last year on the BOD. Please join me in welcoming the new board members and thanking them for their willingness to step up and push our breed forward and thanking David, Kathleen, Tina, and Pam for their contributions to the breed while serving on the BOD.

My time on the board of directors is coming to an end after six years. During my tenure, we had many successes and also many challenges that didn't always allow the BOD to focus on the topics or opportunities that we would have desired to focus on. Through it all, I'm happy to report we are still in a solid financial position with a dedicated group of volunteers to build on our newer initiatives, maintain our legacy initiatives, and drive many initiatives that will allow the Peruvian Horse to thrive in North America. However, we can always use more help. NAPHA is what our volunteers make it to be. I encourage all members to find a way to make the organization and breed better by contributing whatever skill set you have and by supporting and assisting those leaders who have stepped up to lead.

We hope you have a wonderful holiday season filled with joy surrounded by those you love.

*Sincerely,*

Chris Austin • President

## **REMINDER: RENEW MEMBERSHIPS AND FILE YEAR-END REPORTS**

Included in this newsletter is the year-end stallion report, membership application and amateur declaration form. These will not be sent out in a separate mailing, so be sure to pull these from this mailing, complete and return them.

You may also renew your membership through the website (<http://www.napha.net/become-a-napha-member/>) or print and mail the application directly to the office. Please be sure that all of your contact information is correct: address, phone number, email address and website information.

*Remember to renew your membership the exact way your horse is registered, if you are showing horses and want to qualify for year-end and lifetime points.* You must be a 2019 member prior to your first show in order for points to be counted.

## **NAPHA RECREATIONAL RIDER PROGRAMS**

The Board of Directors is working to improve and expand activities directed toward the owners of Peruvian horses outside of showing. The first new program, added this year, was the NAPHA Trail Horse Certification.

To help improve and expand the programs available the Board of Directors approved the addition of a new standing committee. The newly formed Recreational Rider Committee includes the Committee Chair, Joy of Riding Committee Chair, Trail Horse Certification Program Coordinator, Social Media Coordinator, and two or three other working committee members as needed. The Board of Directors will assign a liaison board member to work with the committee facilitating communication between the committee and the Board.

The mission of this committee is to:

1. Identify and develop recreational programs for NAPHA that meet the needs and interests of its members.
2. Educate NAPHA members, non-members and new owners of Peruvian horses about NAPHA's recreational programs and activities.
3. Monitor and evaluate NAPHA recreational programs in order to endure maximum benefits and participation.
4. Encourage member participation in interbreed and inter sport activities.
5. Represent recreational rider members' interests to the NAPHA Board of Directors.

The committee will coordinate all NAPHA programs for recreational riders under one umbrella starting with the current NAPHA programs: Joy of Riding and Trail Horse Certification and High Point Horse programs - Open Show Horse, Parade Horse, Trail Horse and Exhibition Horse.

The committee will also investigate new recreational programs that meet the needs of our members. It will also work toward improving the communication between NAPHA and recreational riders, and between the riders themselves possibly with social media. One of the committee's goals is to educate NAPHA members of interbreed recreational activities available to them, giving them more opportunities to ride in geographic areas with few other Peruvian horses.

We hope programs like these will improve the engagement of NAPHA members in recreational activities and increase the value of their NAPHA membership. These programs may appeal to non NAPHA members who own Peruvian horses and to new Peruvian horse owners encouraging them to become active in NAPHA.

The newly appointed Recreational Rider Committee Chair, Tina Mewhinney, says to look for a recreational rider survey in the coming new year so that you can let this committee know what types of programs would interest you. Please share this information with other Peruvian horse owners even if they are not NAPHA members.

Upcoming Trail Horse Certification events are in the planning stages for spring. The Sooner State Peruvian Horse Club will be sponsoring an event at the Rocking M Ranch May 4-5,

2019. Contact Pete Arnold for more information. A second event is in the planning stages for May 18-19, 2019 near Brackettville, TX. Watch for more information to come. If you are interested in hosting an event in your area, please see the information on the NAPHA website or contact Tina Mewhinney at mewhinney@mindspring.com.

## CONGRATULATIONS TO THE 2018 NATIONAL SHOW LAUREADA - GG ANGOLA+

### NAPHA Nationals 2013, 2016, 2018 Breeding Mare

When Terry and I decided to retire from horse breeding at Green Gate Ranch, our main concern was placing the horses we still owned. We were able to find good homes for all, but the very best was placing our mare, GG Angola+, with Bonnie Gallegos. Bonnie has taken Angola to Laureada Breeding Mare at many regional shows and this year at the Nationals. We could not be more proud of Bonnie and Angola.

As an aside, Angola's dam, JRM Mercenaria was U.S. National Champion of Champions Breeding Mare while she was in foal with Angola.

Terry and I would like to thank Bonnie for the extraordinary dedication, care and work she devoted to Angola.

### UPCOMING IN 2019:

- January 1, 2019 – 2018 membership expires, remember to renew your membership for 2019 so you don't miss out on anything.
- January 10, 2019 – deadline for stallion reports, shipped semen forms etc – to be mailed to the CLRC office

## CHANGES TO THE JOY OF RIDING PROGRAM:

Several JOR riders have reached the 1000 hour mark. Congratulations to Jenny Sheldon and Bonnie Nicholson for this exceptional achievement. Congratulations also to Coral Stafford and Nancy Cox for reaching 500 riding hours. Since we now have riders with more than 1000 hours the JOR committee is extending the JOR program's maximum hours from 1000 hours to 5000.

The current award milestones are: 50, 100, 250, 500, 750, and 1000 hours. Additional awards will now be given for 1250, 1750, 2500, 3500, 5000. After 5000 hours no awards will be given but the rider can still report hours.

If you haven't joined JOR please consider doing it now. It is FREE and you receive a wonderful cap just for joining. All hours in the saddle for any riding other than in NAPHA shows count. Make those hours in the saddle even more enjoyable by joining the JOR community!

## NEW PROMOTIONAL VIDEO:

In August of 2018, a few of our horses and riders travelled to Santa Barbara, California to participate in a short film production. The intent was to create short video bits for use on social media, to further promote our breed.

Over the course of two days, two videographers filmed for several hours on a Santa Barbara beach and at Rancho Chahuchu (just north of Santa Barbara), hosted by Joy Redman. The intent was to show our horses in more natural environments, their extraordinary temperament and versatility.

The project was funded by NAPHA as a result of a marketing donation by the Deep South Peruvian Horse Club and Bill & Sharlane Clattenburg. Danell Adams approached the board to utilize a portion of this money to complete this two day endeavor. Danell then teamed up with Edie Gandy & Kerry McGinley (NAPHA promotion/marketing committee), plus two videographers and invited local riders and horses who lived near the area: Trish Palmer, Charlotte Dicke-Becerra, Bonnie Gallegos and Ava Mann with three stallions, a gelding and a mare. There was also a great ground support team made up of Danell Adams, Joe Chandler, Alberto Enciso, Alberto Enciso, Jr & Raúl Enciso, Vanita Mann & Tony Botello

Our members will be seeing this video on social media and we encourage supportive comments about our breed and for all to continue sharing the content among friends and other equestrian groups. Look for it on our website and social media in January 2019!
