National Show

A review of the plans for the National Show were reviewed with our Show Manager, Mary Emmons. She has done a great job of coordinating some of the special events as well as covering the basic logistics necessary for the show.

Mary Emmons logged off at 5:25

Donated Decals for Members

A member has offered to donate 5000 bumper type stickers to NAPHA. Two designs were approved for print and should be available for distribution to our members at the National Show. Thereafter, they will be available for our members free of charge.

Recognition of Argentina Registry

The board had previously discussed accepting the Argentina registered horses in a separate registry...much like we currently do with the part bred. The board has also received a letter from the Peruvian Registry affirming their recognition of the Argentina Registry. The Registration Committee has previously expressed concern about vetting procedures and the Board will contact that committee for further research and discussion on the matter.

Annual Membership Meeting

Our RAC chair will be asked to solicit ideas from the various regional representatives, for locations for the 2013 annual meeting.

2014 Show Venue

Several venues across the country have been researched with the help of our regional RAC representatives. Most are already booked or are too expensive. The Board continues the effort to try and rotate the show around the country to give more of our members the opportunity to attend a National Show. It was decided to make date inquiries in Tunica, Mississippi for 2014.

Motion to adjourn at 6:00 pm by Edie Gandy. 2nd by Barbara Windom.
