Juniors chronicle their own time and submit total hours of participation semi-annually. Before sending to NAPHA, submission should be verified by NAPHA Governing Council Representative and Parent/Guardian of Junior. Program is conducted on the honor system. Junior is responsible for applying for awards through submission of information in a timely manner. Any Junior may participate in one or more of the listed activities and there is no requirement on the number of activities in which the Junior engages. To be considered, all forms must be submitted to the office by January 10 of the following year.
