

NORTHERN CALIFORNIA

# Wine Country Peruvian Horse Club

| MARCH 2024 |

## OUR MISSION

The Wine Country Peruvian Horse Club is dedicated to the preservation, enhancement and enjoyment of the Peruvian Horse and focuses primarily on social, educational and promotional activities. Ownership of a Peruvian horse is not a requirement for membership.

While the club was initially centered in the Napa/Sonoma/Santa Rosa area, we are now expanding our membership base to include all Northern California.

Some Of the benefits of membership include Clinics/Play Days, Trail Rides, Exhibitions, Social Events, and Potluck Meetings.

## **Club Update & Meeting –**

March 23, 2024 @ 3:30pm

After being inactive for a couple of years, we will be holding a meeting to regroup and hopefully revitalize the Club.

We are planning to meet and focus on ways to get the club up and running again. Please bring your thinking hats (Peruvian if you would like) and creative and innovative ideas as to what your vision is for the club in Northern California.

Please join us at “Chica’s Peruvian Kitchen” for a no-host lunch/dinner.

The Smoothest Riding Horse in the World! There is “something for everyone” in this smooth, elegant animal; riding comfort, strength and stamina for the aid trail rider; calm tractable disposition so important in the family mount; arrogant, flashy presence and action which set the exhibitor and parade rider apart from others. - NAPHA
