## Autobiographical Essay

Write one to two page autobiographical essay on a separate sheet(s) of paper. You may relate any special circumstances the committee should know in order to better determine the granting of the scholarship. Include any interesting, unusual or goal-shaping incident(s) that have occurred during your lifetime.

The autobiography should give insight to you as a person. Provide information pertaining to your financial need, education /career goals. Horse-related and extracurricular activities. Be specific. Include information regarding what you have been involved in that is connected with the qualifications of the scholarship for which you are applying. For example, if you are intending a career in agriculture, be sure to address your involvement in agriculture.
