

## NAPHA College Scholarship Program Description and instructions.

1. Junior NAPHA members of high school age can participate in the Scholarship Program. Juniors can participate by showing, trail riding, and spending time with their Peruvian Horse. Over the time span of the Junior's high school years, show points and activity hours will be accumulated.

A. Points can be accumulated through show participation which is automatically tracked by NAPHA. Points can be found on-line at:

[NAPHA.net/Events>Results& Show Points>Standings](http://NAPHA.net/Events>Results& Show Points>Standings)

Hours and points accumulated are just a couple of the areas considered in awarding the scholarship, they are not the only area considered in the evaluation process. See Scholarship Application form for additional details.

B. Hours can be documented on NAPHA Scholarship Activities log that are available on the NAPHA Collage Scholarship Program website page at [www.napha.net](http://www.napha.net).

Each year, until the Junior Member is eligible to apply for the NAPHA Scholarship, the junior member can log hours spent with their Peruvian Horse or related activity on the Junior Horsemanship log. Print as many logs as needed to be submitted as part of the Scholarship application packet.

C. At the end of each year, the Junior Member calculates their hours as well as totaling the current year's show points. This process is repeated each year until the Junior Member is eligible to apply for the NAPHA Scholarship. (Generally during their Senior year in high school.)

D. School and Non-School Extracurricular activities are also considered in evaluating the applicant's application. Activities log for each activity heading are attached to the Scholarship application.

E. All the above mentioned logs and related documents listed on the Junior Scholarship Application are sent as a packet to NAPHA and should be postmarked no later than July 31.

Note: If you need assistance in or have any questions completing the application, please contact Mike Powers at 209-380-3190 or call the NAPHA office for direction.

Special Note: Students who graduated high school in 2024 can retroactively apply for the NAPHA Scholarship during the 2024/25 school year.
